

No.	Project name	Client name	Year of implementation	Facility location
Studies				
1	Study "Development of Energy Services Market in the Republic of Kazakhstan"	Electric Power and Energy Saving Development Institute JSC (Kazakhenergoekspertiza)	2016	Almaty
2	Ekibastuz Field coal beneficiation research	Kazburgaz JSC	2016	Ekibastuz
3	Identification study of different consumption factors for assessment of their impact on losses of electricity and diesel fuel being used on Akbastau JV JSC facilities	Akbastau JV JSC	2015	Sholakkorgan Village, Sozak District, South-Kazakhstan Oblast
4	Survey of renewable energy sources (RES) in Kazakhstan	Samruk Kazyna Invest LLP	2013	Almaty

5	Information and consulting services for preparation of the study "Energy Efficiency Measures and their Implementation"	Samruk Kazyna Invest LLP	2013	Almaty
6	Development of residential building energy audit methods for the UNDP/GEF Project "Energy Efficient Design and Construction of Residential Buildings"	UNDP	2012	Almaty
7	Reducing GHG Emissions through a Resource Efficiency Transformation Programme (ResET) for Industries in Kazakhstan	LDK Consultants Engineers and Planners S.A. EBRD	2011	Almaty
Energy saving and energy efficiency programmes				
1	Correction of the Energy Saving and Energy Efficiency Programme for 2015-2025 in the group of companies of Samruk-Energo JSC	Samruk-Energo JSC	2014	Astana

2	Development of the Energy Efficiency Programme in the group of companies of the Sovereign Wealth Fund Samruk-Kazyna JSC	Samruk-Kazyna JSC	2013	Astana
3	Integrated assessment of managerial and technological development level and energy efficiency of subsidiaries and affiliates of Samruk-Kazyna JSC	Samruk-Kazyna JSC	2011	Astana
Technology audits				
1	Technology audit of	Moynak HPP JSC	2015	Zhylysay Rural District, Rayimbek District, Almaty Oblast
2	Technology audit of	Shardara HPP JSC	2015	Shardara
Introduction of energy management systems				

1	Introduction of energy management system in	Betpak Dala JV LLP	2015	Shymkent
2	Introduction of energy management system in	Moynak HPP JSC	2014	Zhylysay Rural District, Rayimbek District, Almaty Oblast
3	Introduction of energy management system in	RG Brands Kazakhstan LLP	2014	Almaty
4	Introduction of energy management system in	Karakudukmunai LLP	2014	Aktau
Energy inspection				
1	Energy inspection of facilities of	East Kazakhstan Regional Energy Company JSC	2017	Ust-Kamenogorsk

2	Energy inspection of	Moynak HPP JSC	2017	Zhylysay Rural District, Rayimbek District, Almaty Oblast
3	Calculation of transformer no-load losses	MREK JSC	2016	Aktau
4	Expert technical survey of electric installations and preventive testing of electric equipment of Volkovgeologiya JSC	Volkovgeologiya JSC	2014	Almaty
International projects				
1	Energy survey of the water disposal system of OmskVodokanal OJSC	OmskVodokanal OJSC	2017	Omsk, Russia
2	Technical assistance in technical and energy audit of Kondensat JSC	D'Appolonia SpA	2015	Aksay

3	Evaluation of demand and investment attractiveness, and preparation of a list of renewable energy sources (RES) projects in the Republic of Kazakhstan (in cooperation with GFA Consulting Group, Germany)	European Bank of Reconstruction and Development (EBRD)	2012	Almaty
4	Russian Sustainable Energy Financing Facility	European Bank of Reconstruction and Development (EBRD)	2010-2011	Almaty
5	Reducing GHG Emissions through a Resource Efficiency Transformation Programme (ResET) for Industries in Kazakhstan	European Bank of Reconstruction and Development (EBRD)	2011	Almaty
6	Training "Analysis of industrial energy audit for development of bankable projects" for specialists in the Republic of Kazakhstan	SEMISE, INOGATE Programme, European Union	2011	Almaty

7	Development of waste management standards	European Bank of Reconstruction and Development (EBRD)	2011	Almaty
8	Assessment of energy efficiency and greenhouse gas emission reduction potential	Fichtner GmbH & Co. KG ENRC	2010	Almaty
9	Consulting services to the Kazakh Government in setting of feed-in tariffs for promotion of RES development in Kazakhstan	European Bank of Reconstruction and Development (EBRD)	2010	Almaty
10	Training "Industrial energy audit" for Moldavian specialists	European Bank of Reconstruction and Development's BAS Programme in Kazakhstan	2010	Moldova
